# MPP FOR THE DAY

JANE  
**McKENNA**  
MPP BURLINGTON

## About the Program

Think you have what it takes to be an MPP for the Day? Then this engaging, new program is for you. If you're in Grades 8,9 or 10, you could have the chance to spend a day in the life of your MPP, Jane McKenna.

MPP for the Day runs from February to June and September to November, giving one lucky student each month the opportunity to go to Queen's Park and be introduced in the legislature, attend Question Period, meet legislators, tour the main legislative building and, of course, spend some time with MPP Jane McKenna. Applications are accepted throughout the year and are kept on file, so there's no need to reapply. Students selected each month to participate will be contacted two weeks before the scheduled day at Queen's Park.
