*The list is not complete, therefore in case of any uncertainty, please, contact us.

You are qualified to claim a refund!

**Claim your risk-free compensation
from the truck manufacturers**

Necessary documents to claim a refund

1. Proof of purchase
(invoice or lease contract)

2. Certificate of roadworthiness or
another document about the
technical characteristics of the truck

3. Extracts from the Commercial
register

(These will be accepted as scanned copies.)

That's all you need to start your
risk-free refund!

No win, no fee!

If no compensation is paid to you, there is absolutely no cost to you.

We offer cash upfront now or a share from the refunds in the future.

All you have to do is sign our contract and provide the documents needed.

Our expert advisers are always available to guide you through the process and answer any questions you may have.

Conditions vary by country. Ask for our experts' advice with no cost or obligations.

Find our telephone number for your country.
