THE EVER-CHANGING FACE OF ARMSCOR

I'd like to sincerely thank all our fans for another year of support. Our commitment to making shooting sports approachable and affordable is one thing you can always count on from us.

Another thing you can count on is change. In a good way, of course.

New this year is the introduction of an exciting line of products under the name RIA Imports. As the name suggests, RIA Imports are quality firearms from all over the world that deliver the performance you've come to expect from Rock Island Armory at an affordable price point. Like all our products, they come with our Limited Lifetime Warranty.

Also in 2018, we're launching the exciting XT 22 Magnum. You asked for it. We delivered. It's the first 1911 that packs the powerful punch of a 22 magnum cartridge with a 14-round capacity. You're going to love this gun!

Finally, keep an eye out for yet another product line extension called RIA-USA. More to come on this but this new line of premium firearms are proudly made right here in the USA.

Happy Shooting, Everyone!
