This is the first of a new line of CENTERFIRE RIFLES for Rock Island Armory. It’s intended for MIDDLE RANGE use with a mounted scope and is perfect for VARMINT HUNTING.

We’ve created this beauty to be EXCLUSIVELY CHAMBERED in Armscor’s signature caliber, .22 TCM, which happens to scream at over 2,800 fps. The 5-round mag can be interchanged with the 17 round .22 TCM pistol mag to turn it into a high-capacity rifle. EASY OH.
