

MANUFACTURING AWARDS

2019

**BUFFALO
BUSINESS FIRST**

As seen in the May 10, 2019 Issue

GENERAL EXCELLENCE

TAPECON INC.

701 Seneca St., Buffalo, NY 14210 • tapecon.com

► **Steve Davis, President**

► **Key executives**

- **Michael Gebera**, Director of Operations

► **Manufactured products:**

Contract manufacturing of printed indicators, flexible printed electronics, user interfaces, custom converted

materials and products requiring specialized printing and converting capabilities

► **Founded:** 1919

► **Employees, local:** 108

► **Employees, worldwide (includes WNY):** 109

► **Key event in company history:** In 2012, Tapecon consolidated two factories into a renovated space with an improved work environment that complies with medical device manufacturing standards.

► **Plans for 2019 and beyond:** In 2019, Tapecon celebrates 100 years and will host a private event to honor the anniversary. Beyond 2019, Tapecon plans to continue to grow and solve application challenges that result in better product solutions for customers.

► **Interesting fact:** Tapecon moved into the Larkin Center of Commerce in 1949, making it the oldest continuously operating company in Larkinville. We were on the fourth floor facing the parking lot with a full view when the Frank Lloyd Wright Administration Building was demolished in 1950.
