To Our Valued Clients:

Taking care of customers, employees and agents is a top priority Cincinnati Insurance. To support our clients during the COVID-19 pandemic, Cincinnati has applied a 15% premium credit to all personal lines auto policies in April and May.

Cincinnati puts the health and safety of our associates, agents and customers at the top of our priorities. That's why we've put our business continuity plans in action, ensuring we do our part to help prevent the spread of COVID-19 while continuing to deliver the outstanding service you deserve. We know it's important to keep our business running, ready to serve you and fulfill the promises we've made to you.
