

SABIS® E-books

SABIS® E-books were successfully launched in Grades 4 – 10 at ISF over the past 5 years and the reaction of our students, teachers and parents has been entirely positive. We look forward to their continued use in the school year 2020-21.

New students joining Grades 3-10 in the school year 2020-21 must purchase a tablet. For the optimal experience, we highly recommend that tablets have the following specifications:

Recommended Specifications	
<i>Operating System</i>	Android™ Version 9.0 or above
<i>Internal Storage</i>	32 GB or above
<i>Processor</i>	8 Core or above
<i>CPU Frequency</i>	1.6 GHz or above
<i>Memory (RAM)</i>	2 GB or above
<i>Screen Size (diagonal)</i>	10.1 inches or above
<i>Resolution</i>	1920 x 1080 or above
<i>SD Card Supported</i>	Required
<i>Stylus</i>	Preferred

Important Notes

- For the school year 2020-21, tablets with Android™ version below 7.0 may not be used.
- For the school year 2021-22, tablets with Android™ version 7.0 or below may not be used.
- Tablets with technical specifications less than the above recommendation may experience slower and/or inconsistent performances during the use of SABIS® tools and products.
- Tablets purchased with the above technical specifications are expected to be usable for up to 3 years, after which a replacement may be expected.

SABIS® E-books are **only supported on Android tablets**.

Please also note that we recommend:

1. Purchasing a tablet without a SIM card port
2. Purchasing a cover for the tablet
3. Purchasing a power bank with a minimum capacity of 12,000 mAH and its USB cable in order to recharge the tablet at school.

Further information and instructions will be provided at a later date.
