2019 Greater Philadelphia Technology Awards Luncheon

ABOUT THE LUNCHEON

The Tech Impact Awards Luncheon is the Greater Philadelphia region's premiere technology-focused philanthropic event. It brings together a peerless audience of technology and business executives who are committed to sustaining and improving the lives of individuals in our community. Last year, the Luncheon raised nearly $190,000 in sponsorships to help over 160 young adults and dislocated and incumbent workers begin careers through Tech Impact's workforce development programs ITWorks, CXWorks, and PunchCode. The Luncheon also helps to sustain the technology services, support, and training we provide to hundreds of nonprofits nationwide.

WHY SPONSOR?

Your sponsorship dollars help keep Tech Impact's ITWorks program free of charge to the young adults we serve, and allow us to offer reduced tuition to low-income PunchCode students. Sponsorship also provides your company with an opportunity for generous exposure to a select audience and the opportunity to network with technology leaders across the region, all in support of a wonderful cause.

If you have any questions or would like to become involved as a sponsor, please contact **Becca Johnson** at 215-557-1559 ext. 112, or **Becca@techimpact.org.**
