WHY SPONSOR?

Your sponsorship dollars help keep Tech Impact’s CXWorks and ITWorks programs free of charge to the young adults we serve, and allow us to offer reduced tuition to low-income PunchCode students. Sponsorship also provides your company with an opportunity for generous exposure to a select audience and the opportunity to network with technology leaders across the Valley, all in support of a wonderful cause.

If you have any questions or would like to become involved as a sponsor, please contact Josh Leavitt at 702-749-5336 ext. 220, or Joshua@techimpact.org.
