NetHope Center for the Digital Nonprofit

Digital nonprofits start by changing the way **People** work through redesigned **Processes** that are made possible by **Technology**.

THE IDEA JOURNEY™ FOR THE NONPROFIT

The new nonprofit standard for accelerating digital transformation

Building digital skills in nonprofits

>60% of nonprofit orgs say they need improved IT training

We believe that improved use of Microsoft products by nonprofits will lead to improved mission outcomes

Our ambition is to reach **1M nonprofit staff** with training in 2023

We will work with learning partners who provide the **platforms, reach, and methodologies** to deliver this training
