

Leverage Receeve without cost for three months. Let us help you navigate a challenging situation.

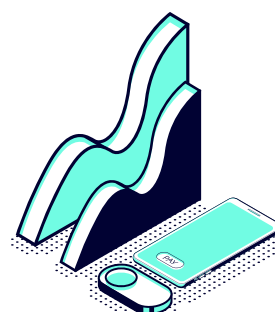

IMPROVE CASH FLOW

“If cash flow is king, then collections is your queen”. With an uncertain future, managing cash flows becomes critical. Effective collections directly improves your bottom-line.

TREAT CUSTOMERS RIGHT

Guide your customers through tough times with Resolutive Dialogue to improve collection rates, reduce churn and earn their loyalty.

AUTOMATE & SCALE DIGITALLY

Prepare for an increased number of collections claims by automating manual processes and leveraging AI. Be ready to scale collections strategies within a rapidly growing digital work environment.

Protect your company and mitigate risk in uncertain times

Due to the economic uncertainty following recent events, debt collection stands to become a focus for many companies. We want to contribute by protecting businesses from this impact as well as ensure fair treatment of customers. To this end, we are offering the first three months of our product free of charge because we believe it can make the difference between a good customer experience and a bad one, and to enable businesses to protect their brand & ensure financial independence.

Make the best of a difficult situation

BE FUTURE PROOF AGAINST FURTHER ECONOMIC UNCERTAINTY BY BUILDING THE **TRUST** OF YOUR CUSTOMERS

At Receeve, we want to look at the big picture. We’re working hard to make our product available to a broader range of businesses and simplify the on-boarding even further to adapt to your needs.
