

Guide to Informed Decisions

Get with Your Team:

- Leverage the right set of tools.
- Brainstorm questions.
 - Control, Influence, Can't Control.
 - Select a way forward using a 2X2.

Get Talking:

- Start with your values.
- Ask why, tell why.
- Highlight what's going right.

Define

Iterate

Engage

Communicate

Get Smart:

Reframe the problem statement to engage your team.

Get Working:

Minimum Viable Product: Learn, Grow, Measure.
