

# A more complete biopsy with Biodesix Lung Reflex<sup>®</sup>

Non-invasive, blood-based **genomic** and **proteomic** test results provide a more complete biopsy in 72 hours.

## biodesix lung REFLEX

 **genestrat<sup>®</sup>**  
genomic test

Delivers blood-based genomic results for your first oncology visit

 **veristrat<sup>®</sup>**  
proteomic test

Provides more information about your prognosis and the aggressiveness of the disease

The genes in the GeneStrat<sup>®</sup> test and the VeriStrat<sup>®</sup> proteomic test are covered by Medicare and many private payers.

 **biodesix<sup>®</sup>**

[biodesix.com](http://biodesix.com) | 1.866.432.5930

Biodesix® is committed to making our blood-based tests **available to all patients**. Our experienced Reimbursement Specialists will seek coverage for your **VeriStrat®** and/or **GeneStrat®** testing.

#### **FOR PATIENTS WITH MEDICARE:**

Biodesix bills Medicare directly and accepts Medicare payment as payment in full.

---

#### **FOR PATIENTS WITH MEDICAID:**

There is no out-of-pocket expense.

---

#### **FOR PATIENTS WITH PRIVATE INSURANCE:**

Many private insurance companies cover Biodesix testing and Biodesix will work with your insurance company directly by filing your claim.

---

#### **DEDICATED CUSTOMER CARE:**

Our Colorado-based billing team will file all claims and prepare any necessary appeals on your behalf with your insurance company.

---

#### **BIODESIX ASSIST**

##### **FINANCIAL SUPPORT PROGRAM:**

Biodesix understands the financial stresses that health issues can place on you and your family. We have created a financial assistance program for patients with financial responsibility to assist in providing affordable care.

**To learn more information about the Biodesix Assist Financial Support Application process, please call our Patient Care team at **1.866.432.5930**.**
