Re: PFI and CLIA Numbers: 8529 17D1089651
Survey Type: Routine
Survey Date: May 15, 2019

Dear Dr. Peek:

Enclosed is your Laboratory Evaluation Report (LER) that was prepared from an examination of policies, procedures, and practices during the laboratory survey conducted on the date specified above.

Requirements defined under the Clinical Laboratory Standards of Practice are categorized as Fundamental or Sustaining Practices. Fundamental practices are those core activities undertaken by the laboratory that establish the infrastructure, competencies,

Laboratory Evaluation Report Content

Fundamental Practices Evaluation: The laboratory is evaluated for its degree of compliance for the respective fundamental practices. Citations of sustaining practices would be listed here if found.

Survey Findings This section of the LER has the comment of no significant deficiencies found. No response is necessary based on the findings during this survey. Please contact the staff of the Compliance Unit at (518) 485-5378 if you have questions.

Thank you,

Compliance Unit
