

## Keeping pests out of your business is our business

Pestpro provides comprehensive solutions for every pest that dares to invade your facility. We custom fit every commercial pest management solution to your specific business needs in order to keep your facility pest-free.

No two industries present the same commercial pest control challenges. Whatever business you're in, we have proven solutions ready for you.

## Remove pests from your inventory

We can help you eliminate cockroaches, ants, rats and anything else that's pestering your business. Our highly-trained and qualified technicians can effectively and efficiently deal with any pest problems and will show pests whose boss.

### Our services control the following pests:

- |   |  |
|---|--|
|  Cockroaches |  Mosquitoes |
|  Rodents     |  Ants       |
|  Flies       |  Birds      |
|  Termites    |  Wildlife   |
|  Spiders     |  |

## When we step in, pests ship out

Don't let manufacturing or warehouse pests compromise packaging, threaten product quality, create unsanitary conditions for workers or result in regulatory fines. Turn to Pestpro.

## We'll pack them up and out

We're experts in all environments, and we can quickly identify and treat your pest problems. We deliver customised, comprehensive pest control. Our proactive prevention and monitoring strategies help keep new pest problems from ever getting started, so you can meet audit and regulatory requirements with confidence. We can provide customised training for your staff, too.
