

Teach pests a lesson

Pestpro specialises in treating schools and educational facilities, from the classrooms to the kitchen, the offices and everywhere in between. We'll keep pests out so that you, and your students and staff, can rest easy.

We deliver specialised treatments and bring effective solutions specific to every facet of your facility, no matter how complex and we guarantee our work!

Pest control is in session

If you work in education, pest control is a very serious concern. So, we provide advanced education pest control solutions from specialists who understand the dynamic settings of government and school facilities.

You have important work to accomplish. You don't need the additional stress of dealing with complex reporting and regulations of a pest infestation. We'll take on the foul pests and rodents trying to compromise your health and safety.

Our services control the following pests:

- | | |
|-------------|------------|
| Cockroaches | Spiders |
| Bed Bugs | Mosquitoes |
| Rodents | Ants |
| Flies | Birds |
| Termites | Wildlife |

We'll quickly identify your pest problems and treat them immediately. We'll implement comprehensive pest control quickly, effectively and hassle-free. And, we guarantee our work 110%.

Increase student satisfaction

We'll protect your school's reputation by getting in and getting pests out without bothering your staff and students. We're quick and discreet and offer a convenient schedule with after-hours and weekend service.

Cleantex education industry solutions

As an education institution, you want your students to have the best academic and boarding experience. As a business entity, you want to make smart choices that keep your institution operating efficiently and effectively for many years to come. Cleantex can assist you with both.

Improving the student experience

We partner with you to choose the right linen for your students. Whether you want to select from our collections, or you require specific-brand standard linen, we can help you choose the best solution for your school.

You take care of your students, let us take care of your washroom services

Cleanpro's proactive washroom hygiene solutions and specialist cleaning services ensure that your washroom consistently meets a high-standard of hygiene, with restrooms and hand wash stations remaining stocked.

Our washroom services include installation of dispensers, ongoing maintenance and refills. Reduce costly waste with convenient dispensing systems featuring portion controls, generous outputs per refill and greater economy.

Once you've made your choice, we'll design a flexible service to ensure you always have the linen you need.

At Cleantex, we take care of satisfying your students' campus expectations so that you can focus on attracting the next generation of learners. You can rest assured that our linens are handled professionally to ensure the highest industry standards are consistently maintained, from pick up at your location, to their return.

Our services include:

- ◆ Bath Towels
- ◆ Bed Linen
- ◆ Floor Mats
- ◆ Kitchen Linen
- ◆ Table Linen

Hygiene solutions with your students' needs in mind

Our range of hygiene products can be great for enhancing hygiene levels in washrooms by keeping soap dispensers filled and always in working order.

Our washroom products and hand wash supplies include:

- ◆ Soap Dispenser & Refills
- ◆ Femcare MVP Sanitary Disposal System
- ◆ Passive Air Fresheners
- ◆ Toilet Seat & Surface Cleaners
- ◆ Quadrasan MVP Cleaning & Dosing Dispenser
- ◆ Passive Air Fresheners
- ◆ V-Screen Urinal Screens
- ◆ and more...
