## Cleantex accommodation & hotel industry solutions

When you partner with Cleantex you're partnering with a team that cares about your employees and customers as much as you do. We know you need uniforms and linen that not only provide comfort, but are also both sanitary and safe to maintain the integrity of your business' brand. You can rest assured that your uniforms and linens are handled professionally to ensure the highest industry standards are consistently maintained, from pick up at your location, to their return.

Our uniform services can accommodate all your employees; from the administrative staff and supervisory personnel, whilst our bed, table and bathroom linen will exceed all quality expectations:

### Our Linen and Uniform Rental Service Include:

- Bed Linen
- Bath Towels
- Staff Uniforms
- Table Linen
- Kitchen Linen

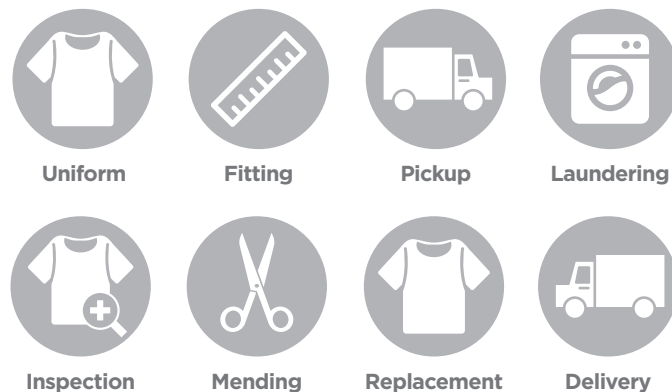

## Be our guest

When a guest walks into a hotel, or when a diner arrives to eat in a restaurant, they anticipate good food, a comfortable night's sleep, attentive service and attractive, well-designed surroundings. We help make it possible for hoteliers and restaurateurs to meet those expectations and to deliver that experience, through the provision of quality uniform and linen solutions that come with added value, as standard.

## First impressions matter

With Cleantex managing your linen every guest will feel the quality and cleanliness of your linen. In fact, our research shows that over 70% of guests specifically check the cleanliness and quality of the linen every time they stay and 95% would mention poor quality linen when telling others about their experience. We'll help you to deliver the quality experience your guests expect.

## Flexible and comprehensive solutions

## You take care of your customers, let us take care of your washroom services

Cleanpro's proactive washroom hygiene solutions and specialist cleaning services ensure that your washroom consistently meets a high-standard of hygiene and restrooms, whilst the hand wash solutions remain stocked.

## Elegant design meets superior service

Our range of products have been designed to produce the highest standards in your washroom. The result is a range that positions your company in the best possible light for your employees, customers and guests.

## Hygiene solutions with customer's needs in mind

Our range of hygiene products can be great for enhancing hygiene levels in restrooms, reception areas and in the kitchens.

Our soaps and hand scrub services ensure your hand washing protocols are well supported because soap dispensers are kept filled and always in working order.

## Cleaning hotels, resorts, cafés, restaurants & bars

When your reputation depends on 5-star customer reviews, you may have the service, food and beverage covered, but your success often depends on more than that. The Cleanpro clean is a deeper clean; across all rooms, bathrooms and restrooms.

A comprehensively trained hospitality cleaning team will be assigned to your account which is backed up by regular, ongoing QA inspections. We can ensure that we will consistently meet, and exceed, the high standards you'd expect from your contract cleaner.

### Cleanpro Industrial Cleaning Services Include:

- General Cleaning
- Office Cleaning
- Restrooms and Break Rooms
- Window, High-pressure steam and Carpet Cleaning
- Floor Restoration
- 24-hour Operations and Inspections

We also offer complete property audits. Innovative technology guarantees accurate results every time. At Cleanpro, hygiene, safety and security come first, as our company is committed to safety, as well as regular QA inspections.
