# High Arc Faucet with Pull-Down Spray

COMMERCIAL DURABILITY • MODERN DESIGN • EASY INSTALLATION

## Push-Button Convenience

Simple push-button activation between spray and fill with a water conserving 1.5 GPM flow rate

## Durable Construction

All metal construction, including heavy-duty, chrome plated brass spout and body for extra durability – ideal for frequent use in teacher's lounges, hotel kitchenettes, and staff kitchens

## Dependable Docking

Faucet spray is held precisely in place with snap-in docking feature – stays in place when not in use

## Reliable Operation

Time-tested, heavy-duty ceramic cartridge provides reliable operation and fast, easy replacement

Optional 8" Cover Plate  
434-008KJKCP

## Contemporary Design, Pull-Down Convenience, and Commercial Quality

Our High Arc Faucet with Pull-Down Spray delivers commercial durability with easy drop in installation. It is a great, new option for high traffic commercial applications like teacher lounges, office building break rooms, physician offices and kitchens – with sleek, contemporary styling.

The all metal construction and our time-tested commercial ceramic cartridge are backed by a 5-year warranty.

Clearly marked, pre-assembled, braided supply hoses allow for a quick install that maintenance staff will appreciate!

Pull-down, single handle faucet with 1.5 GPM non-aerating outlet, 9" center to center spout, ceramic cartridge, and temperature limiter. **Model 434-ABCP.**
