Our 2018 **Toy Drive for La Rabida Children's Hospital** was a huge success! We are incredibly grateful for the participation we get from our friends and colleagues each year. With the variety of toys donated, Santa was able to provide just the right toy, stuffed animal, book or special item to each child.

KRD has been gathering toys and donations for more than ten years and **we are asking for your support again this year**. We know firsthand that the children, their siblings and parents are absolutely delighted when Santa arrives.

La Rabida Children's Hospital serves approximately 7,500 children annually who require primary and specialty care to address complex and challenging medical conditions; and they specialize in the treatment of children who have been abused, neglected or experienced trauma.

A poster is included in this email for you to post in your cafeteria, employee lounges, kitchens, etc. Please complete your company's contact information as well as the deadline date you want to have the toys collected. **We are asking you to please provide new unwrapped (so the hospital can properly sort by age and gender) toys for these very sick children. The children range from age one to eighteen.** You may ship the toys, drop them off at our office or we can arrange to have them picked up. Our deadline for toys is **December 10th**; this allows the "elves" at the hospital time to sort and wrap the gifts.

If it is more convenient for you to donate money, please address the check to La Rabida Children's Hospital, send it to me at KRD and we'll make sure it is properly delivered.

On behalf of the children of La Rabida Children's Hospital, KRD thanks you for your kind and generous support! If you have any questions, please contact me at 847.612.9599 or gkutchins@krdcpas.com.

Sincerely,

Genie Kutchins

P.S. If you know of any friends, associates or houses of worship that would like to participate please let me know.
