MONDAYS

NEXPLORE MAKERS CLUB

TIME: 3:05 - 4:05pm **Grades** 1-8

Design your own remote controlled hydraulic arms, learn to harness energy to power race cars, and experiment with structural design. Nexplore Makers Club is an engineering program designed to inspire kids to pursue futures in science and technology. Students interact with fun Maker kits that enhance mechanical, artistic, and engineering skills, while encouraging them to act as inventors in their own right. Plus, students can keep their inventions and proudly share their projects with their family and friends.

TUESDAYS

CHESS WIZARDS

TIME: 3:05 - 4:05pm **Grades** 1-8

Ready to make some new friends and amaze your parents with your brain power? Join Chess Wizards for challenging chess lessons, exciting tournaments, fun team activities and more! If you're brand new to the game, we'll teach you the basics and get you playing in no time. If you're a seasoned checkmate artist, we'll show you new ways to let your creativity loose on and off the chess board. This is more than just a game of winning and losing, it challenges the students to think ahead, visualize their goals, treat others with respect and learn from their mistakes.

Start: January 14

End: March 3

Cost: \$144 for 8 weeks
