**ALL HANDS ON DECK!**  
EMPOWERING YOUNG LEADERS  
TO SCALE OCEAN SOLUTIONS

In alignment with the 2020 UN Ocean Conference theme, "Scaling up ocean action based on science and innovation for the implementation of Goal 14: stocktaking, partnerships and solutions", and with the aim of giving youth the opportunity to contribute for the implementation of this important SDG, the Governments of Portugal and Kenya will host the Ocean Youth Forum, organized by the Sustainable Ocean Alliance, in close cooperation with the Portuguese Minister of Education and with the support of Oceano Azul Foundation.
