

Mitsubishi Aircraft News No. 33

Mitsubishi Aircraft establishes new Production Management Office

Nagoya, December 2, 2013 -

Mitsubishi Aircraft Corporation established the Production Management Office on December 1, 2013 to accelerate preparation for MRJ production. The Office will manage the production schedule. The company appointed Shoji Amano, Senior Vice President, as Executive Officer of the Production Management Office. Amano was previously Head of Engineering & Head of the Overseas QCD Office.

Concurrently, at the end of November 2013, the company closed its Overseas Quality Cost Delivery (QCD) Office, which had been instrumental in establishing management systems for overseas partners.

About Mitsubishi Aircraft Corporation

Mitsubishi Aircraft Corporation commenced operation on April 1, 2008 to conduct the design, type certification, procurement, sales & marketing and customer support of the Mitsubishi Regional Jet (MRJ). The MRJ is a family of 70- to 90- seat next-generation regional jet which will offer both top-class operational economy and outstanding cabin comfort. Mitsubishi Aircraft Corporation is capitalized at 100 billion yen, with financing furnished by, among others, Mitsubishi Heavy Industries, Ltd., Toyota Motor Corporation, Mitsubishi Corporation, Sumitomo Corporation and Mitsui & Co., Ltd.
