## About Sakon

Sakon is a telecom and network technology leader that has helped global enterprises organize, understand, and intelligently manage their communications ecosystems since 2003. With headquarters in Concord, Massachusetts and a Global Delivery Center in Pune, India, the Sakon team numbers more than 400 employees worldwide. Sakon serves over 150 enterprise customers, and its technology is used by the world's top systems integrators and outsourced services providers. It currently manages over \$5 billion in technology expenses annually.
