

**WE ARE  
HIRING**

**STUDIO  
JUNIOR  
WANTED**

We're looking for a  
Studio Junior to join  
our growing team!

Thinking of Joining us?

## Job Vacancy Studio Junior

### About us

We make and shape personalised communications, managed by a team of printing and direct mail professionals. Our superb facilities enable us to offer a complete service from design and pre-press through to delivery and fulfilment. For nearly 40 years we have taken pride in the efficient delivery of high quality, cost effective, print, direct mail and direct marketing solutions to clients across the UK.

### Qualities you need

Attitude aptitude and a willingness to learn are very important, ongoing job training will be provided for the correct candidate.

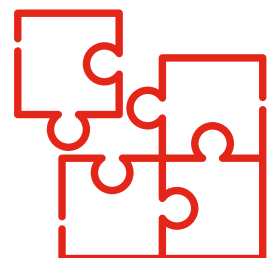

Candidates should be organised, have a good eye for detail and eager to develop a career within a creative environment. The ideal candidate should have experience analysing and creating artwork. A good knowledge of the Adobe suite focusing on Adobe InDesign, Photoshop and Illustrator would be a distinct advantage.

A keen interest in marketing, social media, and copy writing would be beneficial as well as good knowledge of WordPress and OpenCart but **not essential**.

Attitude aptitude and a willingness to learn are very important, ongoing job training will be provided for the correct candidate.

”

# What's involved...

Graphic design, producing artwork in a variety of formats, to a print commercial standard, from briefs provided by the client, or internal briefs by Pepper Management.

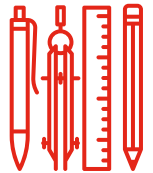

Proofing and checking customer supplied artwork to ensure that all files are of 'print ready' quality.

Printing match proofs, creating mock ups, and samples as required.

Maintaining Studio Equipment and systems.

Further training and career development will be provided within Team Peppers workflow, to include systems, imposition, pagination, design and software and various day to day activities subject to workload.

There will also be opportunities within our sister company [hellomoon.co.uk](http://hellomoon.co.uk) where you will be required to undertake processing orders and updating graphics for the website. If you have a flair for illustration there are also opportunities to be involved in new product design.

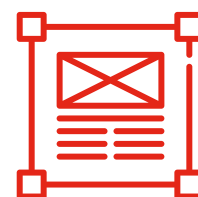

# What will I need?

- Working knowledge of design and print processes
- Good working knowledge of Adobe CC (InDesign, Photoshop and Illustrator, in particular) but if you have skills in other areas of the Adobe creative suite do let us know.
- A good understanding of graphic design principles
- Creative and methodical with a keen eye for detail
- Comfortable working to tight deadlines
- Strong communication skills
- Portfolio of works desirable but not essential

# Desirable Skills?

- Social media marketing and copy writing
- Illustration and photography/videography
- WordPress OpenCart web design
- Commercial Print Knowledge or Experience

**Bē**

## In return

You will be working in a fun, high paced environment with opportunities to develop your career.

### Salary depending on experience

- Extensive company benefits.**
- Pension (Employer Contribution)
  - Absence Award Programme
  - Duvet Days
  - Company Health Scheme
  - Cycle to Work Scheme
  - Childcare Vouchers
  - Life Insurance
  - Free staff parking
  - Training and development opportunities

## How to Apply!

If you believe that you have what it takes, we'd love to hear from you!

To apply please send your CV and covering letter to the Studio Manager. If you have a sample(s) of your best design work please include a PDF or Link with your application (but not essential).: [jobs@pepper.co.uk](mailto:jobs@pepper.co.uk)

**We are considering applications until Monday September 21st 2018 10am cut off.**
