Declaration of Conformity to RoHS and REACH

RoHS 2 Directive 2011/65/EU, REACH (EC) 1907/2006 Articles – 163/191 SVHC Compliance,
DecaBDE, Proposition 65 and Conflict Mineral Compliance

To all customers:

NECAL Corporation regularly reviews the materials used in the products manufactured to RoHS/REACH guidelines along with DecaBDE and Proposition 65. To the best of our knowledge our product has no materials above the reportable limits and is in compliance with the RoHS/ REACH, DecaBDE and Proposition 65 requirements. Any presence of the restricted substances contained in this product would be unintentional additions and inherently trace amounts only. NECAL Corporation also has no exemptions to declare. NECAL products are considered Articles. Material evaluation is verified through internal controls and on information supplied by each raw material supplier.

A formal Declaration of Conformance is provided upon request with each product purchased.

Sincerely,

Ed Johnson
