

ACLC MEMBER EVENT

MARCH 24-25, 2020

Swissôtel Chicago | 323 E. Wacker Drive, Chicago, IL

Tuesday, March 24th, 2020

Committee Meetings (10:00am-5:00pm in Vevey 1 and 2)

Join your peers as they ask important questions and share key lessons on each topic as it relates to thriving within value-based payment models. Name badges will be available at the committee meeting in which you have registered.

10:00am-3:00pm **Committee on Medication Optimization** This committee will focus its discussions on the ways successful organizations are working to integrate strategies to address medication use to lower costs and improve care.

12:00-5:00pm **Committee on Data Aggregation** This committee will focus its discussions on the ways that organizations can formulate a strategy to integrate HIE data, ingest claims data from a payer partner, and seek out other crucial information sources to inform the care strategy.

Interested in inviting others to join as well? Please have them email us below:

- If they work in a provider organization, email tom.merrill@leavittpartners.com
- If they work in any other organization, email daniel.chipping@wgu.edu

Reception and CSB Activity (5:15-6:45pm in Lucerne 3)

Enjoy small table-top discussions with each Case-Study Brief featured representative. Discover more about their successes, how they overcame barriers, how they are sustaining funding, and other critical issues. CSBs and representatives TBA.

Wednesday, March 25th, 2020 – Plenary Session

Breakfast and Networking (7:30-8:30am in Lucerne 3)

Start the day right by networking with your peers while enjoying a healthy breakfast. Please let us know if you have any diet restrictions. Name badges will be available at check-in for those who did not attend committee meetings the day prior.

Plenary Session (8:45-10:45 in Lucerne 1 and 2)

ACLC members will be joined by ACHE attendees for this unique opportunity. Seating will allow close to 300 attendees, so make sure to arrive early to experience compelling, challenging and inspiring messages from key industry leaders.

Welcome	<i>Jan Jones-Schenk, SVP, College of Health Professions, WGU</i>
Keynote	<i>Governor Mike Leavitt</i>
Panel	<i>Moderated by Governor Leavitt, a panel of executives will share organizational competencies needed for succeeding in value-based care. Panelists TBA.</i>
Closing Remarks	<i>Governor Leavitt and Jan Jones-Schenk</i>

Committee Meetings (11:00 am-4:00pm in Vevey 1 and 2)

Join your peers as they ask important questions and share key lessons on each competency as it relates to thriving within value-based payment models. Select the committee that best matches your needs.

<i>11:00am-4:00pm Vevey 1</i>	Committee on High-Value Partnerships	This committee will focus its discussions on the ways successful organizations are assessing potential partnerships and improving current ones.
<i>11:00am-4:00pm Vevey 2</i>	Committee on Home-Based Care	This committee will discuss ways that successful organizations are working to integrate home health and other cost-saving approaches to improve care for patients at home.

Interested in inviting others to join as well? Please have them email us below:

- If they work in a provider organization, email tom.merrill@leavittpartners.com
- If they work in any other organization, email daniel.chipping@wgu.edu

ACHE Breakout Session by the ACLC (4:15-5:45pm in TBD) *

The ACLC has been invited to present at ACHE Congress for Healthcare Leadership. Join ACLC committee participants and evidence-based care experts as they present the importance of evidence-based care in a value landscape.

The Next Frontier: Evidence Based Care Under Value-Based Contracts (122x)

- *Ursula Wright, RN, VP, Care Redesign and Optimization, Mercy Health System*
- *Laura Cullen, DNP, RN, Evidence-Based Practice Scientist, University of Iowa Hospitals and Clinics*

*This session requires registration at ACHE Congress for Healthcare Leadership. ACLC members may be eligible to receive a discount to the ACHE event. Please notify Sergio Lewis if you'd like to attend ACHE Congress by emailing sergio.lewis@wgu.edu.
