Ideation Centre

Ideation Centre

Four unique rooms create a space far from the main hustle and bustle of larger events, allowing you and your team to focus in smaller groups. The modern furnishings and bright space are complemented with our attentive service, making your next group session truly engaging.

... AT THE CENTRE.

Upper Select Boardroom

A modern and executive-style setting, the Upper Select Boardroom has been designed with the corner office in mind. Featuring current teleconferencing facilities, bring your team together from around the world to engage in your biggest corporate challenges.

Main Level Boardroom

A private and modern retreat in the heart of downtown Calgary, the Main Level Boardroom has been designed to foster productive small team meetings. From corporate presentations to strategy sessions, your team can get away from the usual boardroom setup to move big ideas forward.

MAIN LEVEL BOARDROOM

Located across three levels in two inter-connected buildings, Calgary TELUS Convention Centre combines flexible spaces with our attentive service to provide a truly memorable experience for you and your attendees and guests.

Calgary TELUS Convention Centre is located at the centre of Calgary's downtown core, a short walk to more than 4,000 three- and four-star hotel rooms. For your convenience, you can even take advantage of Calgary's +15 Elevated Skywalk for direct access to 1100 of those rooms, including those at Calgary Marriott Downtown Hotel, Hyatt Regency Calgary and Fairmont Palliser Calgary.

EXHIBITION HALL

- Our largest space for your grandest event
- Floor-to-ceiling windows provide ample natural lighting and inspiring views
- Can be partitioned into three separate halls

Exhibition Hall CDE offers 4,370 square meters of pillarless space, which can be divided into three multi-purpose halls. This space has hosted keynote speakers of international acclaim: prime ministers, royalty, former U.S. presidents and renowned minds. It has also hosted hundreds of tradeshows, consumer events, galas and award ceremonies.

The spacious and elegant pre-function area can be used for display space, informal gatherings and registration as well as for receptions and refreshment breaks. The pre-function area's floor-to-ceiling east- and south-facing windows provide inspiring views.

MACLEOD

- Most flexible large space available
- Macleod Hall can be used as one contiguous space or 8 smaller spaces
- Large pre-function space

With its movable walls, Macleod Hall offers the greatest flexibility of our larger spaces, and can be easily transformed from one room to seven. It can accommodate events for as few as 30 people and as many as 2,100. It can serve as a plenary hall, banquet hall, ballroom and several breakout rooms all in one.

Macleod Hall's abundant pre-function space is equally versatile, and can be used for registration, buffet service meals, refreshment breaks, receptions, a welcoming bar area or a late night buffet.
