FOR INNOVATIVE MEETINGS...

Upper Select Boardroom

A modern, executive-style setting, the Upper Select Boardroom has been designed with the corner office in mind. Featuring current teleconferencing abilities, bring your team together from around the world to engage in your biggest corporate challenges.

UPPER SELECT BOARDROOM

Glen Rooms, South Side,
Upper Level

Main Level Boardroom

A private and modern retreat in the heart of downtown Calgary, the Main Level Boardroom has been designed to foster productive small team meetings. From corporate presentations to strategy sessions, your team can get away from the usual boardroom setup to move big ideas forward.

MAIN LEVEL BOARDROOM

TELUS Rooms, North Side,
Main Level

Colab

Collaboration is the cornerstone. We've designed the Colab space to encourage groups to meet differently. From strategy sessions to intensive collaborative work, take advantage of our unique space to create new ideas.

THE colab

TELUS Rooms, North Side,
Main Level

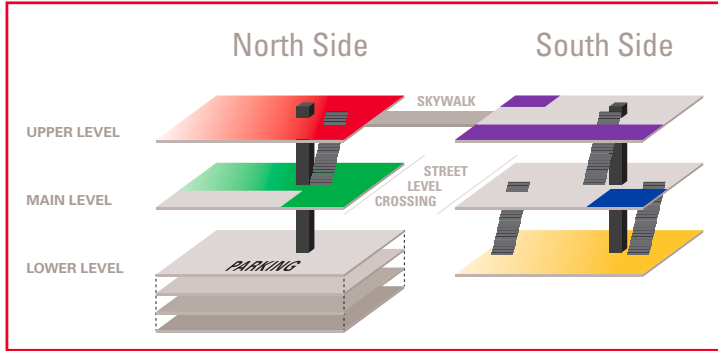

Ideation Centre

Four unique spaces set apart from the main hustle and bustle of larger events, allowing you and your team to focus in small—or larger—groups. The modern furnishings and bright space are complemented with our attentive service, making your next group session truly engaging.

Calgary TELUS Convention Centre is located at the centre of Calgary's downtown core, a short walk to more than 4,000 three- and four-star hotel rooms. For your convenience, you can even take advantage of Calgary's +15 Elevated Skywalk for direct access to 1100 of those rooms.

FACILITY MAP

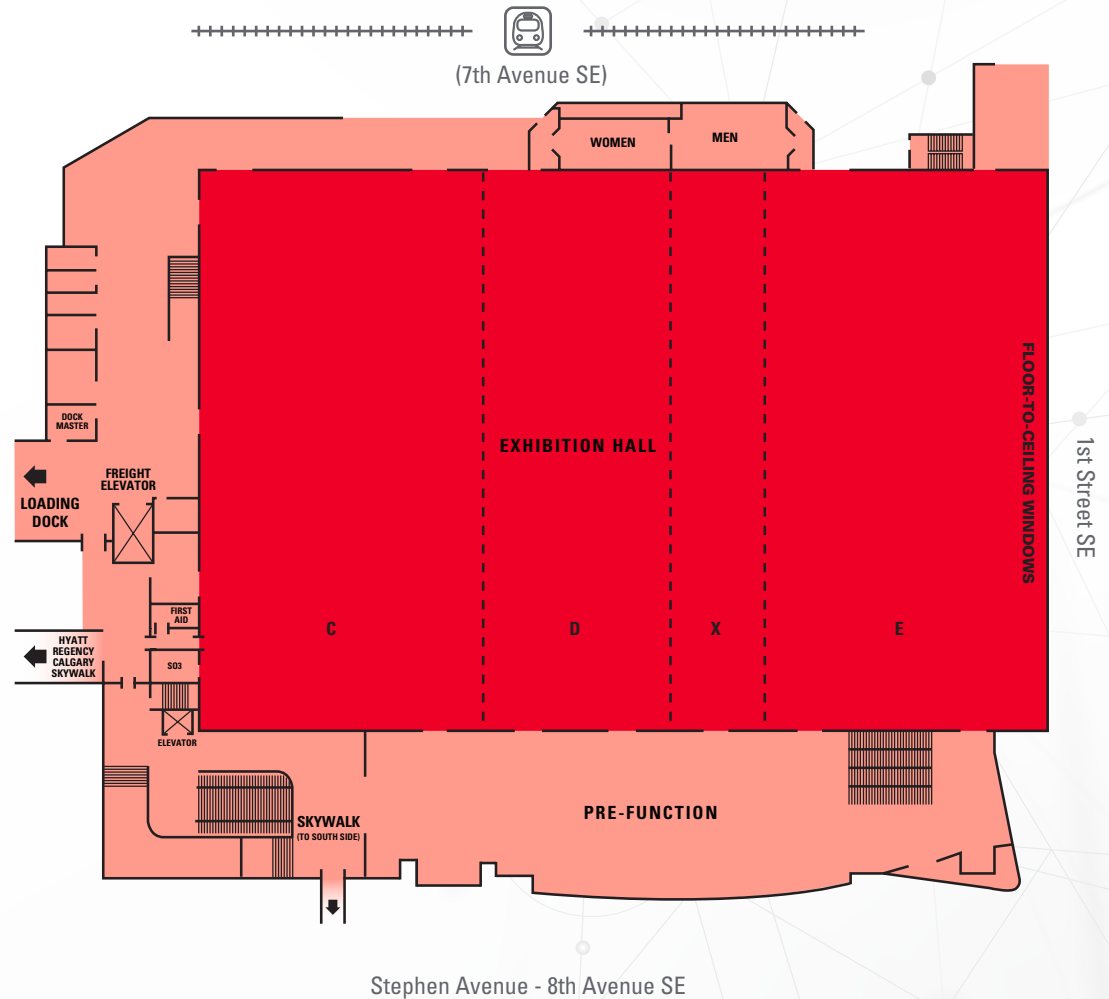

EXHIBITION HALL

North Side *Upper Level*

- Our largest space available for your grandest event
- Floor-to-ceiling windows provide ample natural lighting and inspiring views
- Can be partitioned into three separate halls

Exhibition Hall CDE offers 47,000 square feet of free-span space, which can be divided into three multi-purpose halls. This space has hosted keynote speakers of international acclaim: prime ministers, royalty, former U.S. presidents and renowned minds. It has also hosted hundreds of tradeshow, galas and award ceremonies.

Its spacious and elegant pre-function area can be used for display space, informal gatherings and registration as well as for receptions and refreshment breaks. The pre-function area's floor-to-ceiling east- and south-facing windows provide inspiring views.

Movable walls are indicated by dashed lines.

*Meals are based on rounds × 12.

North Side Main Level

- Highly flexible for gatherings of all sizes
- Guest Services provides business services to attendees requiring last minute assistance
- Home to Colab and Main Level Boardroom

The TELUS Rooms provide the ultimate in flexibility for a meeting or conference. Ideal for events that require concurrent session planning, the TELUS Rooms have flexible room configurations and a spacious foyer.

Adjacent pre-function areas are glass-enclosed for privacy while keeping the space open and welcoming. It's the ideal location for registration, refreshments or receptions.

South Side *Upper Level*

- Eight individual rooms available
- Partition walls can be moved to create customized space
- Private pre-function space available

The eight room upper-floor Glen Rooms offer flexible configurations and a large pre-function space spanning nearly the length of the section.

Bright, airy interiors give the Glen Meeting Rooms and pre-function space a warm, comfortable feel.

The Glen pre-function space is surrounded by a skylit area—ideal for registration, a pre-meeting breakfast or a lunch buffet.

Movable walls are indicated by dashed lines.

*Meals are based on rounds × 10.

South Side *Main Level*

- Modern furnishings and bright spaces encourage collaboration
- Ideal for teams of all sizes and requirements with flexible spaces

The Ideation Centre Rooms are ideal for small- to medium-sized gatherings. The main floor location provides easy access to the Calgary Marriott Downtown, as well as to the sights and sounds of the Stephen Avenue mall shopping area.

Flexible room configurations and an adjoining pre-function space make the Ideation Centre Rooms perfect for private board meetings, workshops, or concurrent session planning.

Movable walls are indicated by dashed lines.

ROOM	CAPACITIES (MAXIMUM)

South Side Lower Level

- Most flexible large space available
- Macleod Hall can be used as one contiguous space or eight smaller spaces
- Large pre-function space

With its movable walls, Macleod Hall offers the ultimate in flexibility, and can be easily transformed from one room to seven. It can accommodate events for as few as 30 people and as many as 2,100. It can serve as a plenary hall, banquet hall, ballroom and several breakout rooms all in one.

Macleod Hall's abundant pre-function space is equally versatile, and can be used for registration, buffet service meals, refreshment breaks, receptions, or a welcoming bar area.

Note: Capacity numbers will decrease with the addition of audio visual equipment, head tables, staging, etc.

†Meals based on rounds × 10.

***Macleod Hall A includes A1, A2, A3, A4.**
