TRUE BEAUTY COMES FROM WITHIN

 **trimedica**

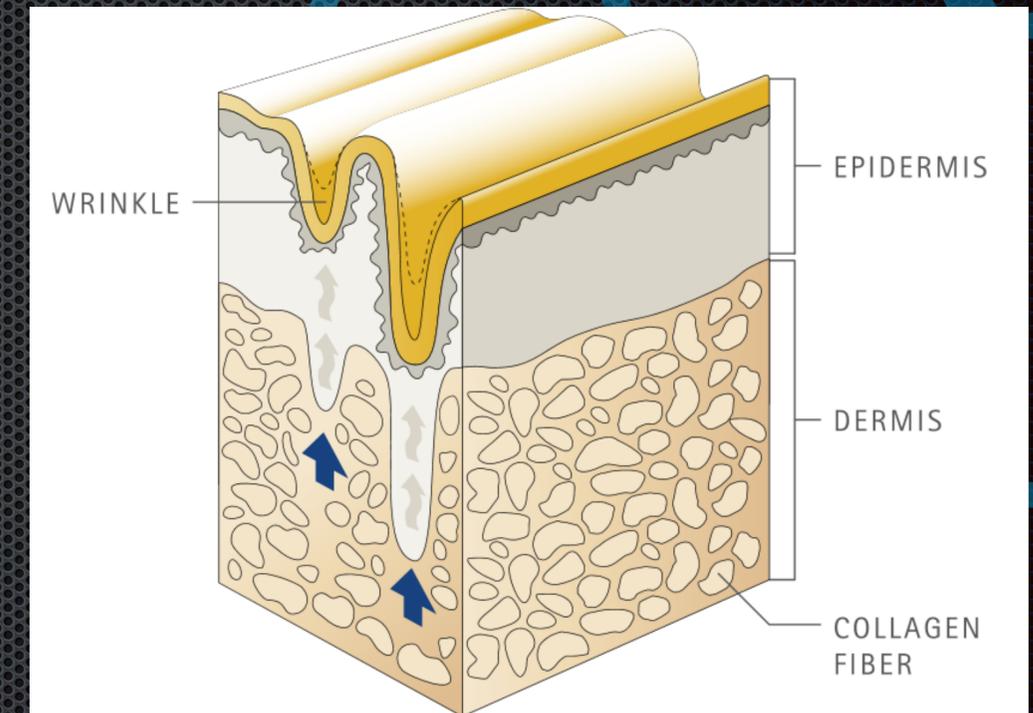

FACTORS CONTRIBUTING TO AGING SKIN

- ✦ Aging skin is a result of the **decrease of collagen** in the dermis – the region where few topical products have effective action
- ✦ Skin is affected by both dermal skin layer structure and environmental factors including aging, ultraviolet radiation, hormones and nutrition
- ✦ Because of this, the dermis becomes thinner – the connective tissue loses **firmness** and **elasticity**, and **wrinkles** and **sagging** occur
- ✦ During the aging process, the skin suffers a loss of moisture and becomes increasingly dry
- ✦ From the age of 30, the performance of collagen creation is reduced, intensifying after menopause

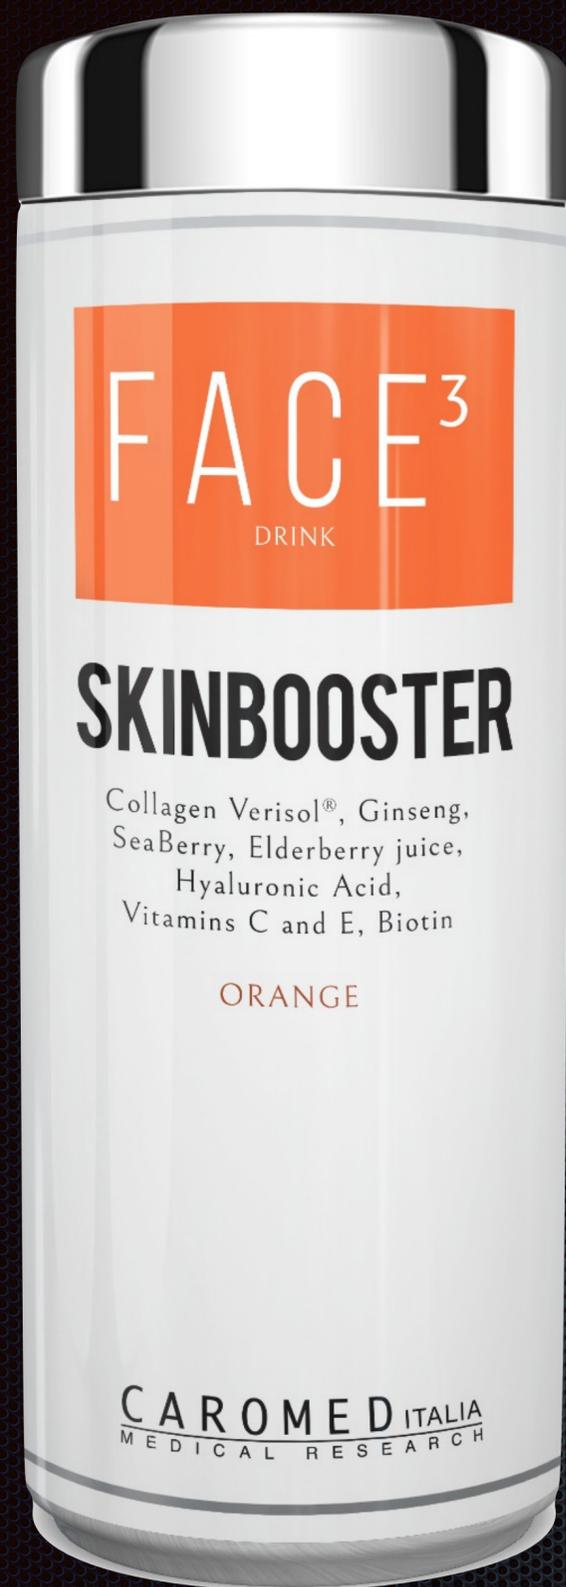

USE THE NATURAL POWER OF COLLAGEN – WITH VERISOL®

- ✦ Collagen is one of the most important proteins in the human body accounting for 30% of total protein and represents 80% of the skin's dry mass
- ✦ Primarily located in connective tissue, it is responsible for providing structure
- ✦ **VERISOL** is a collagen peptide specifically optimised for beauty from within and supported by scientific studies
- ✦ **VERISOL** can stimulate skin metabolism and counteract the loss of collagen
- ✦ **VERISOL** influences the skin's collagen metabolism directly from the inside by increasing the skin's moisture and delays the formation of wrinkles
- ✦ Bioactive Collagen Peptides of **VERISOL** can also improve the growth and health of fingernails

BEFORE

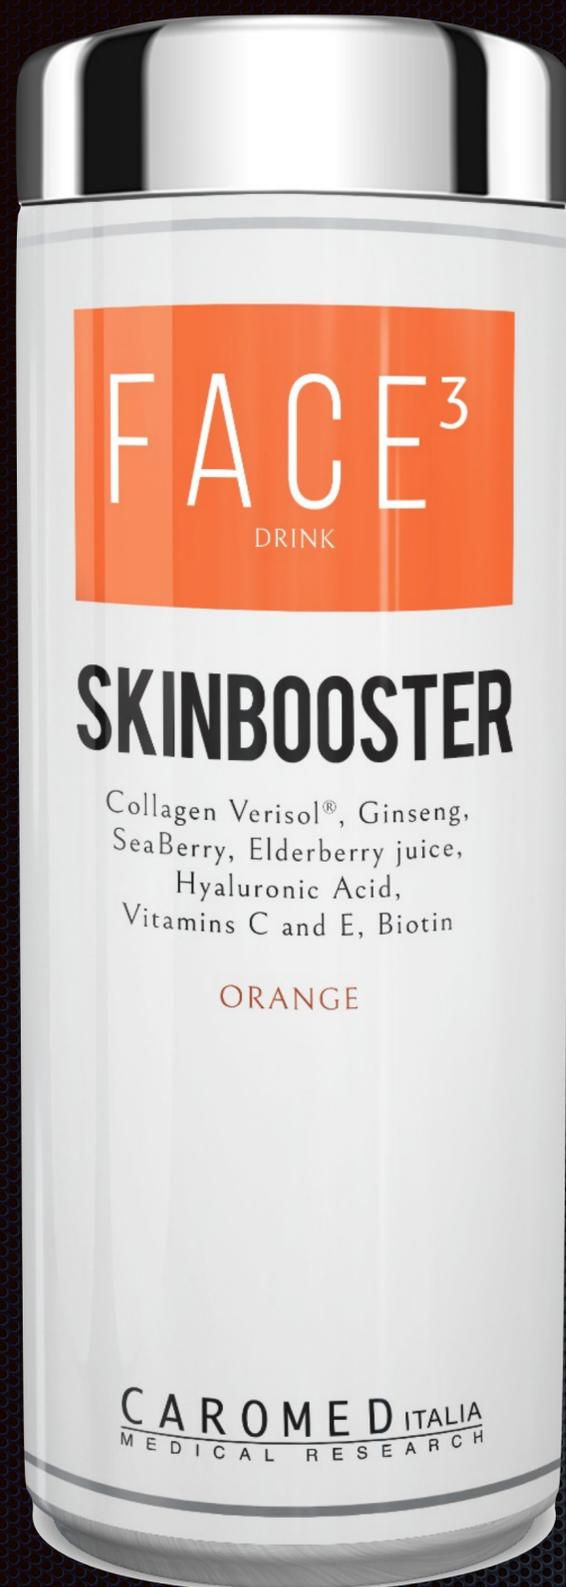

AFTER

FACE3 SKINBOOSTER

- ✦ A drink based on VERISOL collagen peptides and different nourishing ingredients
- ✦ Stimulates skin immune system and protects skin
- ✦ Promotes skin collagen production and elasticity
- ✦ Reduces wrinkle depth
- ✦ Regulates sebum and hydration
- ✦ Clinically proven
- ✦ 7 vials of 25 ml

FACE3 SKINBOOSTER

The blend of ingredients has powerful antioxidants (Ginseng), active ingredients (Hyaluronic acid, Zinc, Biotin) and vitamins (Vitamins A, C, E) to nourish skin from inside and protect skin fibers. Pansy extract provides the softening and sebum-regulator action. Sea Buckthorn aimed to moisturize the skin, and heal aging-related damage.

INGREDIENTS:

- Verisol® peptides from hydrolyzed collagen, Vitamins A, C, E, Biotin, Hyaluronic Acid, Zinc, Ginseng, Sea Buckthorn, Pansy Extract

DIRECTIONS:

- Take 1 vial daily for two weeks alternating with FACE3 SKINREPAIR
- Take 1 vial daily for two weeks before aesthetic treatments or before exposure to sun, pollution, and harsh environmental conditions

FACE3 SKINREPAIR

- ✦ Drink based on VERISOL collagen peptides and different nourishing ingredients
- ✦ Helps skin restoration
- ✦ Promotes skin collagen production and elasticity
- ✦ Hydrates and soothes the skin after treatment
- ✦ Calming and anti-inflammatory effect
- ✦ Clinically proven

FACE3 SKINREPAIR

The formula includes Hyaluronic Acid and Vitamin C to promote new collagen production, Vitamin E is both a nutrient and an antioxidant that helps to rejuvenate the skin. Zinc promotes skin immune system and the healing of tissues. Aloe Vera and Althaea Officinalis Root Extract hydrates and soothes the skin. Ginger is a powerful antioxidant with antiseptic properties.

INGREDIENTS:

- Verisol® peptides from hydrolyzed collagen, Vitamin C, Vitamin E, Hyaluronic Acid, Ginger, Aloe, Zinc, Althaea Officinalis Root Extract

DIRECTIONS:

- Take 1 vial daily for two weeks alternating with Face3 Skinbooster
- Take 1 vial daily for two weeks after aesthetic treatments or after exposure to sun, pollution, and harsh environmental conditions
