Mass messaging is included and easy to set up

As part of your package, we include 500 SMS/Voice credits every month. In other words, that's 1000 text messages or 500 voice messages (or mix/match). 1 Credit - 1 Voice Message or 2 Text-Messages

Examples

Sending "Morning Services are canceled" via SMS text to 36 recipients uses 18 credits.

Sending an audio message about why the morning services are canceled to 36 recipients uses 36 credits.

If you exceed 500 credits, we will automatically add 500 more credits for \$10.

That's 1000 text messages or 500 voice-messages to mix/match).
