

health & safety policy

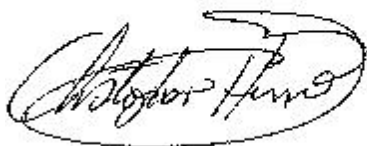

At ABC Sheds, we value the health, safety and wellbeing of our employees, contractors, customers, and the communities in which we operate. We are committed to responsible management practices and are determined to operate our business so as to ensure that we operate in accordance with our safety vision of 'safety first'.

We have implemented a WHS Management System which outlines the responsibilities and accountabilities required to implement this policy and guide our activities in driving continual improvement and developing our culture.

To achieve our vision, ABC Sheds we are committed to:

- taking all reasonable steps to prevent the exposure of our workers, contractors and the community to risks and hazards associated with our activities;
- setting targets and objectives and providing appropriate resources to manage implement and control activities to continually improve Health and Safety;
- ensuring managers, supervisors, employees and other stakeholders are aware of their accountabilities and responsibilities as defined within the WHS Management System;
- complying with all relevant WHS legislation and applicable codes of practice;
- conducting regular management reviews to measure and monitor WHS performance for a continual improvement of the WHS program and performance, and;
- periodically reviewing and revising the WHS system and this policy

As the Director, I am responsible for the implementation of the WHS Management System and the behavioural change necessary to ensure the commitments made in this policy are met and applied.
