

# Experiences | Create custom personas for every user

## Prospective Student

- Campus visitation calendar
- Virtual campus tours
- Course information
- Submit applications

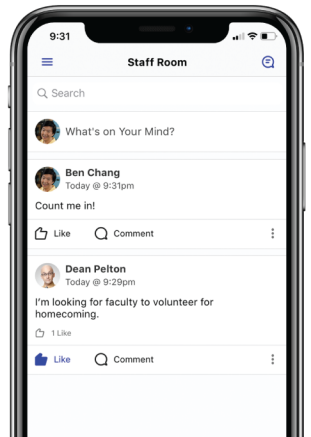

## Current Student

- Academic, co-curricular, and personal due dates
- Virtual campus & peer to peer chat
- One stop shop for campus info

## Admin & Faculty

- Chat with peers
- Stay up to date with what's happening on campus
- Access resources

Keep data private by requiring secure login for specific personas

Allow different departments to control their own content

Communicate directly and send tailored content to any persona

Create custom personas to match your campus environment
