

The Power of Referral-Based Hiring

Referral-Based Hiring

The best way to find talent is through trusted referrals... but it seems there are never enough of them.

Hunt Club's network of over 10,000 experts

and 5M candidates unlock the best passive talent, driven by trusted referrals.

Better culture and company fit
70% of employers feel referred hires fit the company culture and values better.

Referrals move through the hiring process faster

75% of hiring managers say the recruitment process with referrals is shorter.

86% of hiring managers feel referrals are the **number one source** for a quality candidate.

Referrals are more likely to deliver better ROI

46% of them staying 3+ years vs. 14% for traditional job boards.

The cost-per-hire is significantly lower than other sources
say 73% of companies with a referral program.
