

E-AWB TRACKING

Track&Trace Your Shipments

In retail and e-commerce, it is vitally important to receive real-time updates about air deliveries. With Youredi's e-AWB Tracking solution, you will know the status of your freight at all times. Real-time analytics enable you to identify bottlenecks within the process so that you can ensure the fastest possible distribution of goods.

QUICK PARTNER ON-BOARDING

We can rapidly onboard any airline to track the status of your shipment based on e-AWB updates.

FULL VISIBILITY

Follow all of your shipments globally in a single platform, regardless of how many partner airlines you work with.

RISK MANAGEMENT

Identify bottlenecks in the shipping process and act to guarantee on time delivery.

OPTIMIZATION

Monitor your freight from departure until arrival. You will know exactly when the shipment can be picked up.

TIME EFFICIENCY

Accurate tracking will help you to shorten delivery times and drive customer satisfaction.

MAXIMIZED PROFITABILITY

Consolidating the visibility of your supply chain will allow you to deliver your goods on time. Eliminating incidents helps you to be more cost-efficient, so you can boost your profitability.
