

Template Offering Moment #1 for Livestream or Pre-Recorded Worship Services

As we are gathered today in this unusual way for live-streaming or pre-recorded services at _____ Church, we aim to engage in all of the important parts of our weekly worship services. One of those important worship elements is receiving the offering.

Our financial gifts to support what God is doing at _____ Church make ministry possible every day of the year. In this season of rapid change, our church is providing ministry in new ways each day by offering: (list what your church is doing) online prayer support, a downloadable prayer guide, counseling via phone and video, worship services, children's ministry activities kids can do from home, and more. We are continuing to facilitate name of small group ministry gatherings, support our missionaries, and meet the needs of our church family and our community in any ways we can. All of these things require financial resources.

As we prepare to receive our tithes and offerings today, I'd like to share a story with you.

(Insert story here about a specific way that your church is making a difference for the Kingdom in this new season of ministry. Example below.)

SAMPLE STORY: "This week in, response to the COVID-19 outbreak, we set up a new ministry to deliver groceries and medications to immunocompromised or elderly people in our church and community. In our first week of providing this service, we had 21 requests for help, and 26 people from _____ Church gave up their time to stand in long lines to pick up and deliver groceries and medication. See the picture on the screen showing one of our volunteers leaving groceries on a porch. Isn't this a great example of how God uses His people in times of hardship to bless others?"

Even though this is a season of great financial uncertainty, our gifts to support what God is doing at _____ Church are more important than ever.
