The "**Sponsored**" listings are the top (items 1, 2 and 3-Green Box).

- They are expanded
- Highlighted with a green border
- Include room for customization description

The "**Featured**" listings are the same as the "Sponsored" listings, plus 2 more things:

- Banner ads with 15,000 monthly impressions
- Randomized display in one of the four rectangles at the very top.

The "**Basic**" (free) listing is at the bottom of the list.

By default, it is "collapsed" (see item 4 - Blue Box)

When someone clicks on it, it expands (see item 5- Red Box)
