- Maintaining the six-foot physical distancing requirements for employees and patrons
- Refraining from physical contact and limit shared tools or spaces

- Disinfecting common areas regularly including high-touch surfaces
- Providing disinfectant and sanitation products for workers to clean their workspace and equipment

- Making hand sanitizer, disinfecting wipes, or soap and water readily available to employees and customers

- Implementing teleworking, virtual meetings, and staggered shifts where possible
- Requiring workers who exhibit symptoms or illness to stay home or seek medical attention
