A history of *innovation*

A HISTORY OF INNOVATION

The Alice Smith School, the first British International school in Malaysia, remains a world leading, not-for-profit educational foundation today.

The school is an innovative role model and leader for promoting high quality educational practice, winning the International Schools Award 2019 for Pastoral Initiative, obtaining the University of London Institute of Education (UCL IoE) gold standard quality mark for professional development and achieving Patron's Accredited membership of the Council of British International Schools (COBIS).

INNOVATING IN TECHNOLOGY

Utilising the power of Google Suite for Education across both Windows and Mac platforms to support both teaching and learning, the school environment is rich in technology, providing tailored learning opportunities for your child.

INNOVATING IN OUR LEARNING ENVIRONMENT

From our flexible spaces rich in technology, to our state-of-the-art facilities, our campuses are purposefully designed to stimulate and engage your child.

INNOVATING FOR THE FUTURE

The Alice Smith School Foundation supports philanthropic work focusing on five areas of funding: our community; scholarships and bursaries; special educational projects; buildings and facilities and endowment. It provides opportunities for our community to contribute to the school and its students, securing its long term future and expanding its reach, scope and impact in global education.
