

COACHING CERTIFICATION CHECKLIST

The following questions work like a checklist. Use the list to help you find clarity before you sign up for a coaching certification program.

1. Does the coaching certification program include a mentorship segment?

2. Is mentorship part of the overall cost or do you need to pay for it separately (above the price of the program)?

3. How will the program be delivered? Online, in person or both?

4. What is your personal learning preference?

5. What is the overall philosophy of the training school or organization running the program?

6. Does this philosophy align with your beliefs and values?

7. What is the cost of the program?

8. Can you comfortably pay for this program at this time?
