DEVELOPMENT:

Original Book

Concept Art

Final Cut

This animation series is based on the book **“Ciro Todorov, the gloomy child”**, created by Luciano Saracino Fernando Rossia. The art and aesthetics displayed in it were inspired by the characters and scenery illustrated by Fernando Rossia in the aforementioned book. The renowned artist was also part of the ‘Backgrounds’ team for the series, whereas Luciano Saracino was responsible for all scripts. The essence of the book can be clearly seen and appreciated in this funny and entertaining new animated series, brimming with crazy new characters and exotic locations.

# LINA & LOS AMIGOS DEL ARCOÍRIS

**GREENPEACE** and our film production company joined forces in developing the new original animated series, 'Lina & the Rainbow Friends', encouraging and promoting positive changes in children's daily habits and behaviours while learning to form a new relationship with Nature. Each adventure will show our heroine revealing and exposing the most relevant threats to the environment, both in Argentina and worldwide. This project has been a great success in social media platforms.
