Report Overview

In line with advice from the NSW Department of Education, our school reports for Term 1 and 2, 2020 have been adjusted to cater for students learning from school and at home. Please be aware that all students may not have covered the same syllabus outcomes or content during this period. This report will not grade student achievement using the A-E scale for all outcomes. The teacher's comments will focus on English and Mathematics as well as learning that students have undertaken in other KLAs. This report will also provide information about student attendance, their commitment to learning and identify the next steps in learning.

Please contact the school if you wish to discuss this report and your child's progress with the teacher.
