OUR FAMILY SERVING YOURS

For more than 100 years, we have called Cleveland home. Today, as a fourth generation family-owned funeral home, we have become the area's most preferred funeral home by providing the highest level of service to our community.

As a family-owned funeral home, with our own on-site crematory, we have consistently offered the area's most reasonable prices in funeral services. Our six convenient locations are under the careful guidance of the Busch family. We take personal pride in the beauty of our facilities and the professionalism of our staff.

We welcome you to visit our funeral homes and become acquainted with our comfortable facilities and compassionate staff. Please consider this a personal invitation, from our family to yours.

— *The Busch Family*

FUNERAL OPTIONS TO SUIT EVERY BUDGET

We believe an important part of providing quality service is meeting the needs of all the families we serve. We have consistently offered a variety of options so every family may have a service they can afford.

Our Services Include:

- Traditional Visitation and Service
- Memorial Gathering and Service
- Complete Cremation Services
- Personalized Funeral and Memorial Services
- Assistance with Veterans and Social Security Filings
- Funeral Pre-arrangements
- Bereavement Resources
- Community Outreach and Education Programs

Please ask us to show you all the ways we can help make a funeral service comforting, complete and personal. At Busch, you'll find that the best doesn't have to cost more. In fact, it may even cost less.

A VARIETY OF CREMATION OPTIONS

If your family prefers cremation, many choices are available. We offer a variety of service options that can be tailored to your individual needs, including a memorial service or full funeral with visitation followed by cremation. Ask us to help you plan a tribute fitting the life that was lived.

We have an on-site crematory, so you can be assured of the integrity of the process, and have peace of mind in knowing your loved one never leaves our care.

Your COMFORT IS OUR PRIMARY CONCERN

We've thoughtfully decorated our funeral homes with uplifting touches to provide a comfortable and comforting atmosphere. Our décor is soothing and home-like. Sitting areas allow for quiet conversation before and after each service. Each facility's thoughtful layout accommodates any sized gathering.

COMMITTED TO PERSONALIZED SERVICE

We pledge to listen to your needs and assist you in planning a meaningful and affordable service that honors and celebrates the life that has been lived.

Having been a part of this community for over 100 years, we are proud that many other area funeral families have chosen to join the Busch family in providing quality service. Together, we understand the bereavement traditions of many faiths and cultures. We are devoted to serving your family with integrity, honesty and respect for your individual and unique preferences.

MORE THAN JUST A FUNERAL HOME

At Busch Funeral and Crematory Services, we've found it's the extras that set us apart. That is why we have taken the extra steps to provide our community with services you might not expect to see at other funeral homes.

We provide exceptional bereavement resources to the community year round. From a complete grief library to a variety of support groups and special programs, we're here for you well after the funeral has ended.

We offer reception rooms that allow families time together. We'll take care of all the details, so there is less to worry about at an already difficult time.

PREPLANNING...FOR PEACE OF MIND

Making funeral arrangements in advance is a very compassionate, considerate thing you can do for your family.

When your wishes are known, it saves family members from having to make complex and possibly expensive decisions at the most difficult time, and gives you peace of mind.

We would be happy to explain the various pre-payment programs offered, as well as provide details about Veterans and Social Security benefits. If you prefer, we will keep all of your arrangements on file at no cost to you or your family.
