### Diversity & Inclusion Statement:

At Outside GC, diversity has long been an important part of our firm identity. We are committed to fostering an inclusive and collegial community of professionals of all races, religions, genders, sexual orientations and family structures. We regard our individual differences as an asset that enhances the quality of life for each of us and strengthens what we can accomplish as a firm. Outside GC is committed to fostering a work environment that values each individual's contributions to our firm and broader communities. The firm actively promotes the recruitment, retention and advancement of people of diverse backgrounds. These values are a foundation of our organization and strengthen our ability to work together as a team so that we can provide our clients with the best legal services available.
