# Join Us at LITE 2017!

Are you thinking of coming to [LITE 2017](#)? If you still need a little convincing, we've got the top 10 reasons we think you need to join us this year.

This is our third year running LITE from Scotland's beautiful capital city, Edinburgh, and this year we're more excited than ever before!

You can check out all the details for LITE [on our website](#), but for now, here's the top 10 reasons you need to be at LITE 2017 this September 21-22.

## 1. The Location

We may be a little biased, as we get to call this beautiful city home, but Edinburgh really is a spectacular place to visit. This year our venue is CodeBase, which is not only the home of Administrate's headquarters, but also the UK's largest start-up incubator, and houses more than 90 of the country's best technology companies. We can't think of a better home for LITE this year! We're just minutes from the Royal Mile and Princes Street, so you can enjoy the beautiful surroundings as you enjoy our conference.

## 2. The Social Events

Once you've spent the day learning from the best, you can lap up the entertainment that comes as part of the LITE 2017 package! After the conference is done for the day, there will be a chance to relax a little and socialise with fellow attendees.

## 3. Get Involved

Whether you joined us for LITE 2016, or you missed out on all the fun, LITE 2017 is a perfect chance for you to dive right into the action. [Tickets for this year are already available now](#), so grab them quickly to make sure you secure your place!

## 4. Network

LITE 2017 not only gives you the chance to spend two days with people in similar fields to you, but also potential customers. You may be in need of a particular service, or offer one that other attendees are looking for, and LITE 2017 is a great chance to network and perhaps even secure some business!

## 5. Get Essential Training

As well as a number of industry speakers presenting on a range of topics, key members of the Administrate team will again be delivering training workshops and clinics on our product. LITE 2017 offers an excellent chance to learn from the Administrate team, and ask all of those burning questions!

## 6. Come Together with Like-Minds

LITE 2017 attendees will come from very different backgrounds, however, all will have one thing in common – the want to deliver exceptional learning and training. We'll ensure you all have plenty of time to network and share your thoughts and insights.

## 7. Get Inspired

Be inspired by your peers, our workshops, keynote speeches and of course the historic city of Edinburgh. Go back to work full of inspirational thoughts!

## 8. The Speakers

While it will be hard to top our amazing speaker line-up from 2016, this year we're aiming to deliver an even more spectacular selection of speakers designed to inspire, entertain and kick your brains into action!

## 9. Meet the Administate Team

As well as learning professionals from all over the world, LITE 2017 will give you the chance to meet the Administate team. Whether you've never met us before, or you'd love to put a face to the voice on the phone, it's a great chance to meet the whole team behind the product and really get to know us!

## 10. Gain Knowledge

Attending a conference is always a great way to build up not only your personal knowledge, but also deliver what you've learned back to your colleagues. Our blend of workshops and talks will certainly fill your brain with incredible insights, but you'll also be mingling with your peers, which is always a great way to learn while comparing notes!
