DESCRIPTION

En-tour-age – a mechanism in which cannabis compounds act synergistically to boost the overall effects of the plant. Inspired by this core philosophy, Entourage Singles bring your vape experience to the next level with high-quality full-spectrum cannabis oil (created with an innovative ethanol extraction method) and terpenes from the cannabis plant to allow for an elevated strain-specific experience. Paired with the CCELL all-in-one device and formulated to deliver high potency vapor and a smooth, flavorful essence, Entourage Singles deliver the right dosage for both the novice and the experienced consumer alike.
