## DESCRIPTION

Bred by Cannarado and sent out to the Jungle Boyz, Sundae Driver is a smooth and creamy cross of Fruity Pebbles OG and Grape Pie. Buds are light green in color with purple accents and come drenched in trichomes. This strain offers a mellow and calming high, just like its flavor. For a tasty joint in the sun, give Sundae Driver a try.

## PARENT #1: FRUITY PEBBLES OG

**Indica Dominant Hybrid**

**Breeder:** Alien Genetics

**Lineage:** (Green Ribbon x GDP) x Tahoe Alien

Fruity Pebbles by Alien Genetics was a limited-time offering from the breeder. This sweet hybrid takes genetics from Green Ribbon, Granddaddy Purple, Tahoe OG, and Alien Kush to create a tropical, berry flavor reminiscent of the cereal. The euphoric effects will keep you happy when you're stressed and help you catch some sleep when faced with insomnia. Sit back, relax, and pour yourself a bowl of Fruity Pebbles!

## PARENT #2: GRAPE PIE

**Indica Dominant Hybrid**

**Breeder:** Unknown

**Lineage:** Cherry Pie x Grape Stomper

The Grape Pie is a delicious and colorful indica hybrid cut. It is covered in frost and fluffy both in smoke and nug structure. The delicious purple and orange nugs will leave a delicious grape aftertaste that tastes just like grape juice! This is a mild indica meaning it will not knock you out. It will have you jumping and singing and laughing your face off. This is a very euphoric and fluffy high that is mostly body buzz and exhilarating rushes. Recommended for anxiety, depression, restlessness, and lethargy.
