

How to add SavvyCard to an iPhone

1

Tap on the link you received via text. **Your SavvyCard** will populate.

2

Click the **Menu** button located at the bottom of your iPhone.

3

Select **Add to Home Screen**. A preview of your icon will appear along with the title of your Savvycard.

4

Select **Add**.

How to add SavvyCard to an iPhone

5

The icon is now saved to the **Home Screen** of your iPhone.
