

# Trinitas Christian School

*A Classical and Christ-Centered Education*

## COVID19 Not Closing

Dear Trinitas Families,

Florida Governor Ron Desantis and Commissioner of Education Richard Corchran have closed Florida public schools through March 30. The announcement was made at approximately 5pm Eastern on Friday, March 13. News media will playing this story all weekend in an attempt to keep the community informed.

Trinitas Christian School will remain open. The school will receive students at 7:30 am on Monday, March 16, just like any other school day. We have evaluated the risk in our immediate locale and have re-examined the guidelines of the CDC and the Florida Departments of Health and Education and have decided to remain open. We will re-evaluate daily and keep you informed. Trinitas has a plan in place for continuing instruction if it becomes necessary for the school to close, but again, we do not see the necessity at this point.

If you strongly believe that your family will be at risk by your children coming to school on Monday, please keep your children at home. The absence will be treated like any other absence. Make up work will be on Sycamore.

If further communication becomes necessary over the weekend, we will again reach you by email. I look forward to seeing your children's beautiful faces Monday morning. God bless you all!

Sincerely,  
Mr. Gilley
