

Trinitas Christian School

A Classical and Christ-Centered Education

COVID19 Closing

Dear Trinitas families,

I am sad to announce that Trinitas will close beginning tomorrow, Tuesday, March 17. There will be no face-to-face classes on campus and no extracurricular activities of any kind. We have followed the guidance of the CDC and the Florida Departments of Health and Education very closely up to this point, and those organizations carefully defer to local authorities.

As has been the case with this virus since the beginning, what a difference a couple hours makes: as of the writing of this communication we have our first confirmed COVID19 case in Escambia County. In addition to this development, the county has implemented a level 2 state of emergency beginning tomorrow at 8am. We will submit to the wisdom of our local authorities and close the school. We will reevaluate weekly, but it seems there is a reasonable possibility the campus could remain closed to students until after our Easter break.

As announced earlier today, we plan to deliver instruction while closed. Watch your text and email tomorrow for special instructions about when packets can be picked up for your students. Tentatively, we are planning for Wednesday morning. Stay tuned. Communication will be crucial going forward.

As stated in that earlier communication, you can help us plan for a next phase, if there is one, by answering a short survey.

Thank you for your understanding. May God bless you all and keep you safe.

Sincerely,
Ron Gilley
