

Getting to Know You

A questionnaire for special needs children

What is your child's name?

What is their age?

What is your child's diagnosis?

What makes your child smile?

What scares your child?

Can your child tolerate flash or bright lights?

Is your child mobile, or do they require assistance?

What method does your child use to communicate?

Does your child need to be in an enclosed space or will they be safe in an open setting, like a park?

What can you tell me about your child that will make our session more successful?

Is there anything else you would like me to know?
